2019 Solutions to Stormwater Pollution Video Contest

Cowlitz Clean Waters

Cowlitz Clean Waters is proud to announce its stormwater video contest for high school students to help spread the word that each of us is a **"Solution to Stormwater Pollution!"**

Win $500!

We want you to create public service announcement (PSA) videos to help promote the many ways to clean up our local waters!

WHO MAY ENTER?

High school students (grades 9-12) within Cowlitz County are invited to showcase their creativity, talent and environmental awareness by producing a video suitable for use by Cowlitz Clean Waters as a public service announcement. Entry is free!

ABOUT THE CONTEST

Cowlitz Clean Waters, a collaborative initiative of local government agencies and educational partners, is sponsoring its second annual video contest to raise awareness of the solutions to stormwater pollution. Cowlitz Clean Waters is encouraging high school students to create short PSA videos illustrating and conveying the ways that we can stop stormwater pollution and keep our local streams, rivers and lakes clean and healthy. The winning videos will be featured on the Cowlitz Clean Waters website and as PSAs on local cable access television as well as other venues.

SUBMITTAL DEADLINE: Entries must be received at Kelso City Hall by no later than 5:00 pm on February 28, 2019.

PRIZES

- **First Place - $500** Amazon gift card
